Ms Wallace's Announcements

LATEST UPDATES FROM THE HEADTEACHER

DEAR PARENTS AND CARERS,

Thank you to all our families for their support over this last half term. It is always a very busy period in schools. As we reach the half term, our Year 11s are nearly at the halfway mark for their exams. Our Year 10s will soon 'graduate' into Year 11, so do join our information evening, and our Year 9s will soon receive their options choices. There has been a series of rewards events for Year 8 students, including ice-skating this week, and I have been enjoying meeting many of our Year 7 students.

Last week marked the opening of our new canteen. This is a great space for our young people to use both at lunch, before school, and after school. We hope to have many events in the future using this space—please see below for some invitations to some summer events we'd love you to join us in.

This half term, the values curriculum is looking at how students make those signs of respect and kindness every day. This has culminated this week in a respect rewards week, where students can double praise points and earn rewards. I hope you are noticing a marked change in manners at home too!

When we come back, it's going to be a packed one: sports day, summer assessments, rewards trips, the KS3 awards evening, Paris comes to Woodside for the Olympics, the Euros, and now a new date for our diary—the Woodside general election.

All the best for the extended bank holiday weekend.

Ms. Wallace

Mulberry Academy Woodside celebrated the opening of its new after-school provision on Friday (May 17) by Catherine West MP.

The launch of the school's extracurricular space on White Hart Lane, Haringey, was attended by a range of visitors including the Hornsey and Wood Green MP, governors and community organisations.

Mulberry Academy Woodside opened the facility as part of an exciting project to provide extended school hours for its secondary school pupils.

Guests had the chance to learn about the wide range of extracurricular opportunities offered to Woodside students such as the Mulberry STEM project - in partnership with Mercedes Benz - through which pupils have had the opportunity to meet Formula 1 star Sir Lewis Hamilton.

MP OPENS NEW AFTER-SCHOOL SPACE

Other projects discussed among students, staff and community figures included the school's Parliament visits, Duke of Edinburgh trips, debate groups, and positive masculinity workshops with author Jeffrey Boakye. Ms West spoke to Woodside pupils about all things politics to the state of the economy, including students' ideas on how to tackle inflation.

Catherine West, MP for Hornsey and Wood Green, said: "It's so important that young people have somewhere they feel safe and supported to learn and have fun and I'm delighted to open Woodside's fabulous new canteen extension that will expand their offer to students outside core school hours."

Angela Wallace, headteacher of Mulberry Academy Woodside, said: "Our mission is to provide exceptional education and experiences for our young people. This will be crucial in creating a provision for students to stay and study or stay and play after the school day ends. It is so important for our community to have safe spaces outside of formal school hours and for our students to have the chance to extend their learning."

ALEIYA IS IN THE FINALS!

We're excited to share that Aleiya Franics has earned a spot in the 2024 Grand Final of Jack Petchey's Speak Out Challenge! Out of nearly 40,000 participants, she is one of the top 15 finalists. This is a huge achievement!

The Grand Final will be held on Monday, 8th July at the Cambridge Theatre in London's West End. Before that, Aleiya will attend a special workshop on Saturday, 29th June to prepare for the big day.

We couldn't be prouder of Aleiya's hard work and dedication. Let's all cheer her on and celebrate this amazing accomplishment!

INTER-FORM FIFA TOURNAMENT

This week, we hosted the KS3 Inter-House FIFA Tournament, bringing together 96 students for a week of gaming fun. It was a fantastic display of skill, teamwork, and friendly competition.

The atmosphere was buzzing as students cheered each other on and worked together in teams. There was a real sense of sportsmanship and camaraderie throughout the event.

A big congratulations to Salah from 8E, who emerged as the champion for Ash House. His determination and skill were truly impressive. And well done to 7A from Willow House for securing second place with their great teamwork.

The tournament wasn't just about gaming – it was also about coming together as a school community. We're proud of all the participants for their enthusiasm and sportsmanship. Here's to more exciting events in the future!

WINNER

SALAH MOULANA, 8E (ASH)

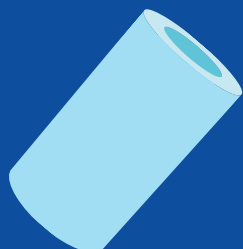

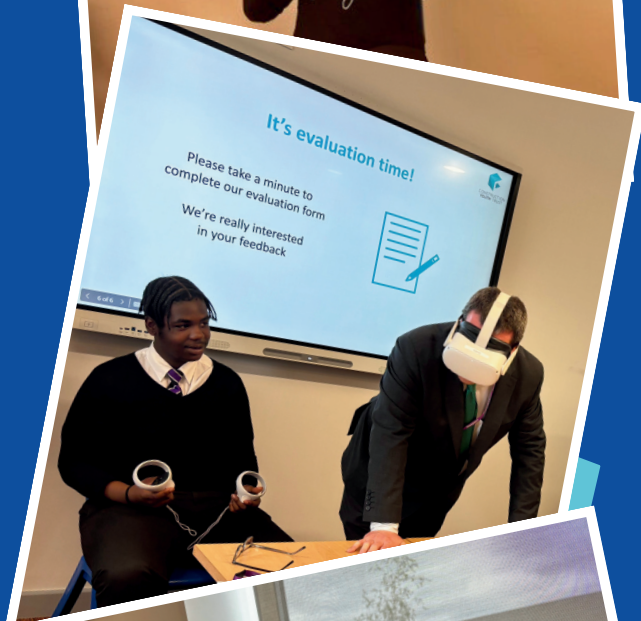

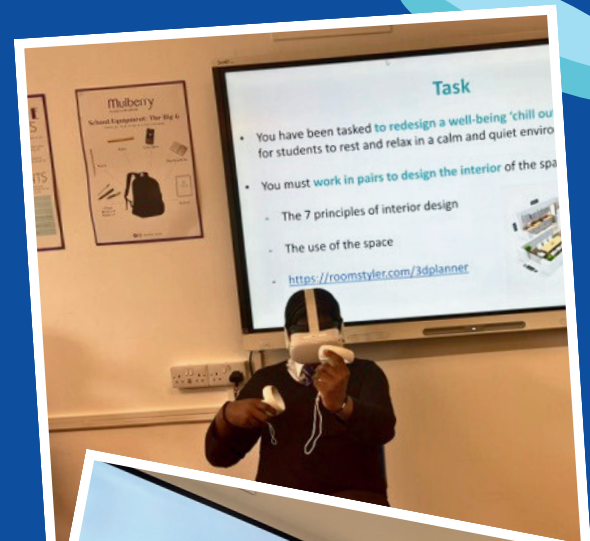

CONSTRUCTION YOUTH TRUST WORKSHOP

Today, our Year 10 students had an exciting opportunity to take part in a Construction Youth Trust (CYT) workshop. They got to experience what it's like to build things using virtual reality (VR) technology.

During the workshop, students explored the world of construction and design in a virtual setting. They tried out different design options and learned about the challenges involved in construction projects. Although it could be tricky at times, everyone found it to be a fun and educational experience.

Even our teachers couldn't resist joining in. Ms Skepple and Mr Davis both tried out the VR experience, adding to the excitement and showing that this technology is enjoyable for all ages.

The CYT workshop was a fantastic way for our Year 10 students to get a taste of modern construction techniques. It gave them a new perspective on the industry and inspired some to think about future careers in construction and design. We're looking forward to hosting more workshops like this in the future.

FBB PUPILS VISIT SNAPCHAT

We're delighted to share the success of our recent trip to Snapchat, where our students had the opportunity to present their innovative ideas for improving the platform. The boys not only had an enjoyable experience but also demonstrated exceptional professionalism throughout the visit.

Led by their enthusiasm and determination, the group presented their ideas to Snapchat's top executives with confidence and charisma. Despite the understandable nerves, each member took to the stage with poise, impressing everyone with their well-prepared presentations.

A special mention goes to Carlos, whose dedication was evident in the graphic design he created to illustrate his ideas for enhancing Snapchat. His commitment to excellence served as an inspiration to his peers.

We're proud to announce that the winning group, comprised of Angel, Mohamed, Serigne, Adam, and Victor, not only impressed the judges but also received a pair of coveted Snapchat spectacles each as a token of their achievement.

This trip was not only an educational experience but also a testament to the talent and creativity of our students. We extend our heartfelt congratulations to all participants and look forward to witnessing their continued success in future endeavors.

MAW AT

HARINGEY ATHLETICS CHAMPIONSHIPS!

On Thursday 16th May, MAW year 9's and 10's took to the track to compete at the annual Haringey Borough Championships!

A day filled with adrenaline and excitement, as well as a drizzle of rain. We took out the largest team we have done in a while, and they definitely did not disappoint. Year 10 was on the track first, whilst year 9 showcased their jumping and throwing skills.

The long distances were up first, everyone fighting to stay at the front of the pack, but the second lap revealed what level the athlete's stamina was at, some slowly dropping off. Hurdles was up next, Aaron Edwards storming to first place, the next Grant Holloway?! In the 200m Woodside took first for both the girls and boys races, Cyrus Reid running an excellent bend, even having to run around another athlete who illegally went into his lane! Kyia Dobbs-Niles claimed first with ease, her second win in the 200m, after breezing through the line at the Haringey Indoor Championships at Lee Valley earlier this year.

Year 9's were on the track next and it was definitely one for the books. Woodside swept the sprint hurdles, Dan Mbuyamba coming first and Noah Charlery second, Destiny Billingham also claiming the top spot! Isaiah Forbes and Kashmar Ferdinand taking 1 and 2 on the podium for the 200m, and Joel Simms Cruising to first place in the 300m. Kayla George also sprinting to success in the 100m, claiming the second place spot!

The feeling is high this Olympic year, sports day will be an exciting day for sure. With so much talent on show, will we have any future Olympians? A massive shoutout goes to the following students:

Isaiah, Joel, Dan, Destiny, Kiara, Cyrus, Aaron, Jeanae and Kyia!! As they have all been selected to represent Haringey at the Middlesex Schools Championships, where they will battle it out against athletes representing Enfield, Barnet, Brent, Richmond and Harrow! If successful, they will go on to represent Middlesex at English Schools. A prestigious athletics event, that was held in the Alexander stadium in Birmingham last year, home to the 2022 Commonwealth Games, where all the counties in England go against each other! Two former Mulberry Academy Woodside students have represented Middlesex at it, including Miss Savva!

Which athlete will be next?!

HARINGEY CHAMPIONS!

The Mulberry Academy Woodside basketball team have been crowned Haringey Champions for the 2024 season. In their first ever season as a team, the boys have gone unbeaten, winning all of their fixtures. They have done tremendously well, competing against schools with established basketball programmes and teams that regularly compete in national competitions. To win the league is a fantastic achievement, but to also go unbeaten is extremely rare. The team has worked incredibly hard, training every week since October, and their hard work has paid off. What is also great to see about this team is how they have worked together and encouraged each other to improve, setting themselves high standards. It has been a pleasure to coach these boys this season, and they will now be entered for the Dynamik National School Competition.

Record: Played 6, Won 6, Lost 0

Vs Alexandra Park: Won 27-22

Vs St Thomas More: Won 48-24

Vs Heartlands: Won 30-24

Vs Greig City: Won 56-32

Vs Fortismere: Won 52-27

Vs Latymer: Won 46-18

Massive congratulations to Aiden Goulvent, Salih Halla, Tyler Morgan, Timothy Benson, Danny Rattigan, Efe Ozturk, Haider Cakmak, Luciano Fiorello, Al Azzez El-Deen, Umut Yildiz, and Geo Whittaker.

YEAR 7

TUTOR SHOUTOUTS

7E

Asel for improved uniform and punctuality, Aiza for reaching 200 praise even though she has only been with the school for a term, and Majid for sharing his creative writing with the class

7Q

Justin for improved punctuality and Joyce and Sophia for showing maturity and kindness. Also Eliza for reaching Bronze level!

7U

Amanda for achieving Silver, Asen for improved behaviour

7A

Biannah for improving her uniform. Valentina for receiving the bronze award.

7L

Luis for improvement in Behaviour. Dominik and Berkay for reading attendance / praise points.

7I

Ellie and Iris for achieving a bronze award.

7T

Tuba & Melis for both achieving Bronze award

7Y

Claudi, for a massive improvement in behaviour, which is being reflected in his praise points. Well done!!

A vibrant rainbow graphic that curves across the top and right sides of the poster, with several concentric circular loops in the center. The background is a gradient of colors from red at the top to blue at the bottom.

SUMMER MATHS CHALLENGE

PRIZES TO BE WON

- 1ST PRIZE - A SAMSUNG TABLET
- 2ND PRIZE - £20 AMAZON GIFT VOUCHER
- 3RD PRIZE - £10 AMAZON GIFT VOUCHER

STEPS TO WIN

- There will be 3 riddles each month
- Some may be simple, some may be difficult, answer each riddle correctly and your name will be added to a raffle.
- Each correct answer is one raffle entry (so maximum of 3 a month)
- After a term, 3 names will be picked from the raffle to receive bronze prize, silver prize and the all important gold prize.

HOW TO ENTER

- Complete the riddles and pass answers on a paper copy to MR SHOEB (Maths Teacher)
- Mr Shoeb's room is B102 but if he is not there you can pass it to any maths teacher
- You can answer any riddles you do not have to answer them all if you are unable to do so.

DISPLAY OUTSIDE B104

- Questions are printed out every month and displayed in the maths corridor outside of B104 if you need another look at the questions
- Any questions feel free to send Mr Shoeb an email or see him in the maths corridor

SUMMER MATHS CHALLENGE

RIDDLE ONE

Mum and Dad have four daughters, and each daughter has one brother.

How many people are in the family?

RIDDLE TWO

There is a three digit number.

The second digit is four times as big as the third digit, while the first digit is three less than the second digit.

What is the number?

RIDDLE THREE

If two hours ago, it was as long as after one o'clock in the afternoon as it was before one o'clock in the morning, what time would it be now?

GOOD LUCK
