Ms Wallace's Announcements

LATEST UPDATES FROM THE HEADTEACHER

DEAR PARENTS AND CARERS,

Welcome back to our final half term. Thank you to our Year 11s, who have courageously been taking on their examinations—only two weeks left now! Then we will have our Year 10 students moving into Year 11 'graduation', including being able to use the small canteen area.

There is a lot to look forward to this term, and it already feels very busy. One thing we are all getting very excited about is the Euros. Students will be using form time to learn about the geography of the competing countries, and the Year 10 council is organising a series of screenings. Finally, the PE department has organised a large school interform at New River in our own mini Euro cup. We intend to create the same excitement for the Paris Olympics at the end of term.

We are very excited to be joining other Haringey schools with our own mini election on July 4th. Each school will participate, and we will share results across the borough. This will be a great way for our young people to understand the process of democratic elections. To get students prepared, the form time reading this week has all been based on the general election.

Ms. Wallace

WINDRUSH VOICES WORKSHOP

On Tuesday, 4th June, Year 8 and 9 students visited a Windrush Voices workshop at the British Library, as part of our ongoing celebration of Windrush Day (June 22nd) at Mulberry Academy Woodside.

During the workshop, students were given an insight into the lived experiences of the Windrush generation.

We were also invited as guests to visit 'Beyond The Bassline: 500 Years of Black British Music' - a temporary exhibition at the British Library. Students loved the different musical styles and artists on show.

TIM TILLEY - AUTHOR VISIT

On Friday, 7th June, Woodside welcomed renowned author Tim Tilley for an inspiring workshop. Tilley, known for Harklights, shared his passion for storytelling with Year 7 students, discussing his inspiration, research, and creative process. He also read an excerpt from his book and suggested follow-up activities to encourage their writing.

The students thoroughly enjoyed the experience and were thrilled to receive signed copies of Harklights. Tilley's visit left them inspired and eager to explore their own storytelling potential. We extend our gratitude to Tim Tilley for his time and enthusiasm.

SUMMER MATHS CHALLENGE

RIDDLE ONE

Mum and Dad have four daughters, and each daughter has one brother.

How many people are in the family?

RIDDLE TWO

There is a three digit number.

The second digit is four times as big as the third digit, while the first digit is three less than the second digit.

What is the number?

RIDDLE THREE

If two hours ago, it was as long as after one o'clock in the afternoon as it was before one o'clock in the morning, what time would it be now?
