## LATEST UPDATES FROM THE HEADTEACHER

### DEAR PARENTS AND CARERS,

Next week, Tuesday, is the Year 10 graduation into Year 11 and there will be an assembly on expectations and support. Hot on their heels our Year 9 students, who have been making most of their morning "how to revise" sessions and assemblies. They have been busy making revision cards for upcoming assessments.

As Year 11 students leave, we turn our focus to the primary students who will soon join us. It's been great to visit so many of our amazing local primary schools and meet the students. We were treated to a sneak preview of the Year 6 production of Peter Pan at Lordship Lane, with the Year 6s performing two of the songs. At Lea Valley, I heard about their Matilda production and got to hear the students singing in preparation for their "Lea Valley Has Talent" event.

Election fever is in the air, and some of our students have been invited to a hustings event at St Thomas More next week. Hustings is a meeting where election candidates or parties debate policies and answer questions from the audience. Local representatives from major parties will be there to discuss issues that matter to the community, especially our young people. We hope to feature a student report in our next edition.

The Euros have also begun this week, with students completing the EUROS reward card for prizes and competitions. Do join us for some of our family viewings.

**Ms. Wallace**

## 'BRAVE NEW WORLD EVENT' AT TOTTENHAM HOTSPUR STADIUM

On Friday, 7th June, pupils from Mulberry Academy Woodside attended the Football Beyond Borders (FBB) Annual Showcase, "Brave New World," at the Tottenham Hotspur Stadium.

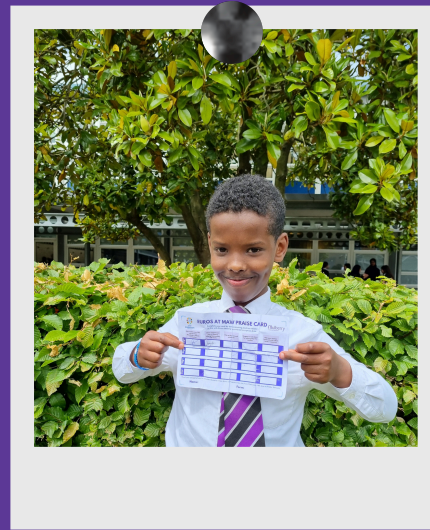

The event was organised to celebrate FBB's 10th anniversary alongside partners Nike and EA Sports. The evening was filled with inspiring moments, including highlights of amazing young people from across the country sharing their journeys and experiences with FBB. They spoke passionately about the power of trusted adult relationships and the significant role FBB has played in their lives, this included Fernando (pictured) who is now mentoring our Year 8 pupils at Mulberry Academy Woodside.

Their stories underscored the importance of our mission and the transformative impact of our work. Pupils listened to the ever-inspiring Chelsea and Matildas star Sam Kerr who reaffirmed the importance of trusted adults for young people and the power of EAFC in shaping young people's attitudes to society.

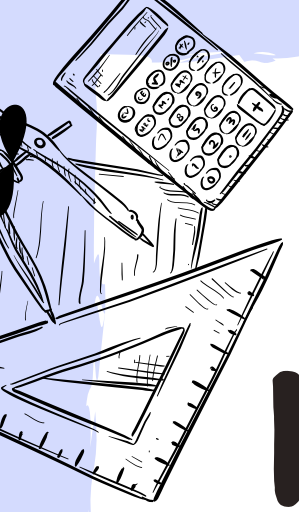

# EUROS PRAISE WEEK

The Euros at Woodside kicked off with Euros Praise Week, aimed at promoting positive behaviour and values among students. Each student received a praise card to complete by demonstrating positive values in line with Euros 2024. Completed cards were entered into a prize draw, offering exciting rewards. This initiative fostered a positive school environment and set the tone for the upcoming Euros activities, highlighting the importance of living by these values.

# HIGHGATE MATHS TRIP

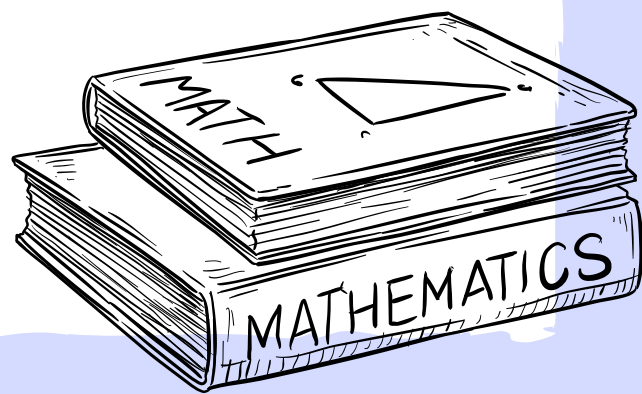

On Wednesday, 12th June, six of our Year 8 students attended a Mathematics Enrichment Day at Highgate School along with other schools from North and North West London.

The day was interactive and engaging, allowing students to explore their passion for maths beyond the curriculum through interesting problem-solving activities. It challenged their academic abilities by encouraging them to use different strategies to solve difficult problems.

The students had a great time and even took a break from their hard work to enjoy the beautiful grounds of Highgate School.

We are thrilled to announce that out of the eight teams, one of MAW's teams, who aptly named themselves  $\pi$  (Pi), came second, missing first place by only one point!

Well done to Imran Ali 8U, Allaina Bassant 8T, Nafisah Chowdhury 8I, Harry Dogan 8L, Aj Jama 8U, and Elvin Vlasev 8L. You really made us proud!

# GCSE RE REVISION SESSION!

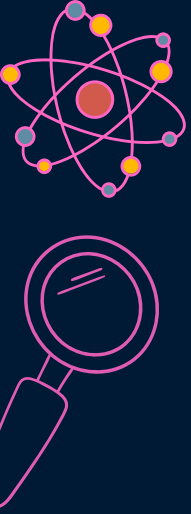

On Wednesday, 12th June, the Year 10 GCSE RE students attended a revision session at Wightman Road Mosque with the local Imam ahead of their mock exam in RE next week.

The students worked very hard during the session and the Imam was pleased to receive a Thank You card from the staff and students at Woodside.

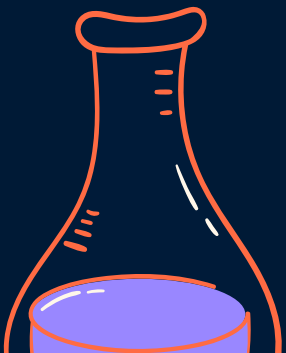

# Year 8 Science Museum Trip

This week saw the conclusion of the ongoing Year 8 trip to the Science Museum. They were able to view respected exhibitions, renowned items, and tales of amazing scientific accomplishment. There were plenty of things to see and do and a range of interactive galleries that students could explore. They thoroughly enjoyed exploring space where they could view a real moon rock, satellites and Tim Peake's spacecraft narrate the fascinating tale of space travel. In addition to this, they were able to explore in the flight gallery where a remarkable aircraft is suspended in mid-air, allowing the students to investigate aviation advancements both domestically and abroad.

Students were inquisitive and keen to learn about so many aspects of Science, they were a credit to the school throughout their visit and it was a pleasure to take them out on such an enjoyable trip. Well done to all students that went and a big thank you to all staff and teams that helped organise this trip.

## Making Opera for Younger Audience: A Work in Progress Sharing

Sunday 7<sup>th</sup> July 2024

Royal Opera House  
Learning and  
Participation

ROH Learning and Participation invite you to **Making Opera for Younger Audience: A Work in Progress Sharing** on Sunday 7<sup>th</sup> July 2024.

Making Opera for Younger Audiences is a creative research and development project empowering the members of the ROH Youth Opera Company to shape new work being made in the Royal Opera House. After an open call for new work aimed at 9-15 year olds, three professional creative teams were selected by the Youth Opera Company to further develop their concepts and to write a set of excerpts.

We would be delighted if you could join us at **4pm in the Linbury Theatre** for the opportunity to learn more about the work being developed and to offer audience feedback informing the next phase of creative development. The event will last for 1 hour.

Performance includes:

*The Wish Thief* (music by Leighton Jones, words by Jonathan Ainscough)

*Don't Step on the Cracks* (music by Laura Bowler, words Sam Redway)

*Wolves in the Walls* (music by John Barber, words by Jude Christian)

Director: Mathilda du Tillieul McNicol

Musical Director: Patrick Barrett

Performers: members of the Youth Opera Company, Jo Appleby, Charlotte Badham, Jen Clarke, Tim Dickinson, Grant Doyle, Llio Evans and Collin Shay.
