## LATEST UPDATES FROM THE HEADTEACHER

### DEAR PARENTS AND CARERS,

Welcome to 2024! We have had an amazing week back and it's been great to see all the students returning rested from the break. Our new year 7s have done really well this week navigating their way around new spaces, a new lunchtime, new teachers and new friends. Thanks to all our parents for supporting this transition.

The summer has seen some changes and improvements around the school including decoration of our sports centre and parts of the old canteen. We have also welcomed a new catering company. Our new company is focused on healthy, freshly cooked meals. Do see attached the current menu and prices; there will be changes over the next year with different items and a new queuing system.

We have been meeting with students for assemblies this week and sharing with them our Woodside pupil pillars to encourage scholarly behaviour.

These are skills we will be promoting and rewarding that students can master to support their excellence not only in school but in all their future careers. We will be teaching these skills explicitly and will focus all students to raise our standards of learning.

There is much to look forward to this term: if you are a parent of a student in Year 9, look out for the elective fair coming up soon. Please be mindful of our letter about our changing holiday calendar for 2024-25 which specifically affects the week after half-term.

A final shout-out for our former Year 11s who did fantastically; it was an incredibly successful year of results with increased outcomes in all key areas.

#### Extended opening:

Our after-school extended opening facility will be opening shortly, with after-school clubs starting from next week.

**Ms. Wallace**

## NEXT WEEK

## WEEK 2

@mulberryaws

If you have any specific questions regarding the transfer of school to the Mulberry school Trust, please email

clerk@mulberryschoolstrust.org

Students from other year groups shared their experiences of being part of different clubs, helping to inspire our Year 7s and guide them in making their own choices. It was a wonderful opportunity for the new students to see the vibrant community they are now part of and the many ways they can get involved beyond the classroom.

A special shoutout goes to Mr. Gittins, our Head of Year 7, and Mr. Temur, the Deputy Head of Year 7, for their incredible work in ensuring that the transition has been as smooth as possible for all the students. Their guidance and support have been invaluable, and we are so grateful for their leadership during this important time.

# Welcoming Our New Year 7s

## A Great Start to the New Academic Year

It's been an exciting week here at Mulberry Academy Woodside as we welcomed our new Year 7s! Stepping into secondary school is a significant milestone, and we're incredibly proud of how well they've handled this transition. From exploring new classrooms and meeting teachers to making new friends, they have shown resilience and a positive attitude that sets the tone for a successful year ahead. We want to thank parents for their unwavering support in helping their children navigate this important new chapter.

To wrap up their first week, our Year 7s attended a special assembly where they were introduced to the wide range of clubs and PE extracurricular activities available at the school.

# OFF TO ETON!

As well as gaining amazing grades across the board, Zahid Hussain went through a gruelling process of interviews, entry tests, and personal statements to secure a fully paid scholarship to Eton College for his sixth form, where he will be boarding.

Eton College is one of the oldest and most prestigious schools in the UK and has educated a staggering 20 former prime ministers, writer George Orwell, Prince Harry, William, and Bear Grylls! Anyone who has met Zahid will know that he will certainly be a match for any of those names, and we look forward to hearing about his exciting future ahead.

# Woodsiders earn places in *Cambridge and Oxford University*

Three former Woodside students, *Adil Mian (University of Cambridge - Maths), Gabriel Malik Fetai (University of Oxford - Economics), and Waiss Sattari (University of Cambridge - Computer Science)*, will be embarking on their university careers at Cambridge and Oxford University. Having to gain A\*, A\*, A, and completing entrance exams and interviews, it shows incredible tenacity and talent to achieve a place at one of the most prestigious universities in the world. We wish them all the very best of luck, as well as to all our former students who are about to embark on their next stages of learning.

We were incredibly fortunate to hear from Adil, who came into school to speak to our students about his journey, how he studied for his GCSEs and A levels, and what he needed to do to secure a place at Cambridge, as well as winning two end-of-year awards at LEAT.

Thank you to Adil for your generosity of time—staff and students really enjoyed catching up and hearing all about your remarkable achievements.

*If you have a child who attended Woodside and is off to university, the world of work, or an apprenticeship, we'd love to hear from you! We'd love to share their story with our students and wish them the very best of luck.*

# **ELECTIVES** **FAIR** **2024**

**TUESDAY**  
10TH SEPTEMBER

**TIME**  
4:30 - 5:30 PM

We warmly invite the parents and carers of our Year 9 pupils to attend our Electives Fair with their child. The fair will be an opportunity to hear more about the wide selection of electives courses available to your child now that they are in year 9. There will also be a presentation from Head of Year 9, Mr Miranda, about the year ahead and how to support your child to be successful.
