Ms Wallace's Announcements

LATEST UPDATES FROM THE HEADTEACHER

DEAR PARENTS AND CARERS,

Well done to all our new Year 7 students who stepped out of their comfort zone this year and tried something new at the Go Ape experience. It's been great to see new friendships forged and the growing confidence of the students. Thanks to all our parents who attended our electives evening and supported students in making their choices about their electives.

It's been busy for Year 11, who are beginning to start that extra preparation for their exams. The Key Thirty group participated in a conference, and as of next week, boosters will begin.

For Year 11 parents, there will be a regular Year 11 newsletter going home with key dates and information to support studies and provide exam and career guidance.

Clubs have now started up – do see the attached programme and encourage your son/daughter to attend some of the diverse range of activities we have on offer.

I am out visiting local primary schools next week to promote our open days on 2nd October, and for the first time, we are holding a weekend open day on Saturday 12th October, as we know many families struggle to attend in the evenings. We'd love to see any families, neighbours, or relatives who have a child in Years 4-6 and are considering secondary school.

From next week, afterschool clubs start. We don't send messages out about who is at a club, so it's **important to speak to your child and for them to let you know if they are going to a club**. If a child wants to ring home to let you know, we will ring home or supervise them using their phone. If you are ever concerned, please ring the school and we can check.

A reminder about equipment: please ensure that your son/daughter has the correct equipment when they come into school – journal, pen, pencil, ruler, and rubber. We will be opening a shop soon where students can loan or buy equipment.

Wishing you a restful weekend.

Ms. Wallace

UPCOMING KEY DATES

Thursday, 19th September
New Year 7 Afternoon Tea
(2:00-3:30 pm)

Climbing, Zipping, and Bonding: Year 7's Thrilling Start at Go Ape!

This past week, our Year 7 students embarked on their very first secondary school trip, and what an adventure it has been! The destination? Go Ape, the renowned outdoor adventure park known for its treetop courses, zip lines, and team-building challenges.

For many, this was not only their first taste of the secondary school experience but also a chance to bond with new classmates and face fears head-on. The trip was designed to help our Year 7s build confidence, develop teamwork skills, and forge new friendships, and it delivered in every way.

From navigating high ropes to zooming down zip lines, the students faced their fears and supported each other every step of the way. We were impressed with the students' enthusiasm and willingness to help each other, noting that the trip set a positive tone for the school year.

The Go Ape adventure provided more than just thrills—it was a valuable lesson in perseverance and teamwork. As they head back to school, the students carried with them newfound confidence, friendships and excitement for the year ahead.

Year 7 Events

Thursday, 19th September

The Year 11 Space

Hello Year 11,

You have all made a fantastic start to the new academic year. There have been amazing examples of hard work and effort in Year 11 lessons, please look out to see if you or your class have a shout out in Friday's Praise Assembly. As always, we are emphasising how important this year is and that your school career depends on your commitment to your studies this year.

This newsletter will be bi-weekly and will contain information relevant to Year 11.

Mr Davis

Year 11 Areas

Remember the Ash Canteen is yours to use at break time for food. At lunch you will be eating in the dinner hall.

Maths top tip of the week

Practice is the Best Revision

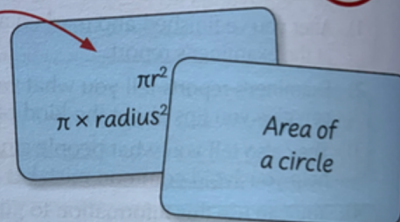

- 1) The best way to revise maths is by doing practice questions.
- 2) Start by practising questions on specific topics once you've revised them.
- 3) Then do practice papers to test a mixture of topics — this will help you identify weak areas (see p.28-29).

Remember Formulas with Flash Cards

- 1) Flash cards are good for learning formulas.
- 2) Write a prompt on one side of the card, and the formula on the other side (see p.23 on how to use flash cards).
- 3) Some formulas aren't given in the exam so you need to learn those formulas as part of your revision.

Check with your teacher to see which formulas you need to learn.

You may miss out on marks if you don't remember and use formulas correctly.

English top tip of the week

Long-Answer Questions

For lots of subjects, you'll have to write longer answers — don't panic, these pages give you the lowdown...

Take Some Time to Plan Your Answers

Planning helps you get your ideas in order, so you don't run out of things to say once you start writing.

Long-Answer Questions Video

For each long-answer question:

- Read the question carefully.
- Read every text or source you need to.
- Check what command words the question uses.

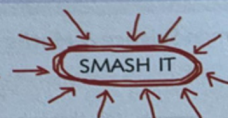

Now make a quick plan:

- Jot down your main ideas.
- Link your ideas by topic or theme.
- Outline the structure of your answer.

And remember:

- Don't spend too long planning.
- Neatly cross out your plan when you finish.

DRAMA DEPARTMENT

BLACK HISTORY MONTH

**CALLING ALL
ACTORS/ACTRESSES**

**CALLING ALL
DANCERS**

**CALLING ALL
SINGERS/RAPPERS**

We are looking for actors, actresses, dancers, singers and rappers to take part in October's BHM Performance, showcasing the resilience black people have developed through their experiences and what the future may hold. This performance will also highlight the connections we share with other races and ethnicities, creating a bond of worldwide unity as we face the future together. If you are interested in being part of this educational and inspiring experience, please join us for the auditions listed below:

Singers and Rappers: Thursday, 19th September at 1pm (ROOM C006)

Actor and Actresses: Thursday, 19th September at 3:15pm (Room C005)

Dancers: Friday, 20th September at 3:15pm (Room C005)

HOUSE COMPETITION - GEOGRAPHY DEPARTMENT

TREASURE HUNT

**3:10 PM -
4:10 PM**

Unleash your
inner
explorer!

-  Open to students from Year 7-10
-  Sign up during form time
-  Prizes to be won

For more information,
please speak to
Ms. Campbell
