

Headteacher: Ms Angela Wallace BA Hons, PGCE, MA

Dear Parent/Carer,

RE: Year 9 assessment weeks

Well done to Year 9 for a great start to the year and their conduct in during the progress tests last week. These tests will provide crucial information about your child's progress in English and Maths and enable us to provide tailored support in lessons.

I am writing to resend the information that was sent out about your child's assessment weeks this year as the information given in the last letter was incorrect. During the assessment weeks below, your child will complete assessments in each of their subjects. Their progress, attainment and attitude to learning will then be shared with parents and carers the report that follows.

Year 9 Assessment Week dates

- Year 9 Assessment Week 1 - w/c 21 October 2024
- Year 9 Assessment Week 2 - w/c 27 Jan 2025
- Year 9 Assessment Week 3 - w/c 16 June 2025

To support with their preparation, teachers will direct their students to the appropriate revision resources. Where possible, please provide a quiet working space at home for your child to work independently in preparation for these assessments and throughout year 9.

As parent/carer, you will be provided with a report each term, that will update you on your child's progress.

I look forward to working closely with year 9 and seeing your child achieve the highest possible outcomes. If you require any further information, please do get in contact.

Yours sincerely,

Mr Bernard
