Ms Wallace's Announcements

LATEST UPDATES FROM THE HEADTEACHER

DEAR PARENTS AND CARERS,

Thank you for your ongoing support during what has been a very busy week. A special thanks to our Year 11 parents who attended the open evening. We've received feedback that parents appreciate knowing assessment dates and how key dates help with planning. In response, we will be producing information sheets for all year groups to help families stay connected with the school.

Next Tuesday, we will be holding a careers event for parents, carers, and students. While the event is primarily aimed at Year 10 and Year 11, all families and students are welcome to attend.

It has been wonderful to see students enjoying the rewards they've earned for demonstrating the school pillars. Students have also been recognized for having their 'Big Six' equipment and being ready to learn. Our library is open during all social times, so feel free to make use of it. Additionally, look out for upcoming trips for those students who scored highly.

Next week is shaping up to be very busy. We have our Black History Month performance on Monday from 4-5 pm, and we'd love for you to join us if you can. On Tuesday, the careers event will run until 5:30 pm, and on Wednesday, all teachers will participate in a trust network event. Please note that all booster sessions and clubs will be cancelled on Wednesday, 23rd October. We apologise for any inconvenience this may cause.

We are also looking forward to our Year 11 enrichment event. If your plans have changed and you'd like to participate, please contact the school by Monday for planning purposes. After that date, we will do our best to accommodate any additional requests.

Ms. Wallace

UPCOMING KEY DATES

**Monday, 21st October -
Friday, 25th October**

Year 7-9 Assessment Week
(in class)
Year 11 Walking Talking Mocks

Monday, 21st October

GLOBAL Girl LEADING

A summit CELEBRATING THE INTERNATIONAL DAY OF THE GIRL 2024

Friday 11th October 2024

On Friday, 11th October 2024, students from Mulberry Academy Woodside proudly participated in the annual Global Girl Leading Summit, held at the Queen Elizabeth II Conference Centre in Westminster. This empowering event brought together over 400 young women from 20 schools across the UK, Mexico, and Kenya, along with online participants from countries worldwide. It was a day dedicated to celebrating how girls and women lead change at local, national, and international levels.

Our students had the opportunity to engage with inspiring speakers, including Dame Rachel De Souza, Children's Commissioner for England, and Tina Tchen from The Obama Foundation, who shared their experiences and insights on advocating for gender equality. The discussions, activities, and workshops encouraged the girls to think critically about the barriers facing women globally and explore how they can make a difference in their communities.

The event also showcased the Global Girl Leading projects, with our students contributing to the powerful conversations and demonstrating their leadership skills. The summit was a valuable experience for all who attended, reinforcing Mulberry Academy Woodside's commitment to empowering young women to be agents of change.

YEAR 7 PRAISE BREAKFAST

This week, we treated our top Year 7 praise point earners to a special breakfast! It was a fun morning with lots of chatter and tasty food, all to celebrate their effort and attitude so far this term. They've been setting a great example for the rest of the year group, and we're excited to see even more students stepping up in the weeks ahead.

Well done to all – you've earned it!

STUDENT COUNCIL'S FIRST MEETING ON YEAR 7 SUPPORT!

The first meeting will take place in a breakfast morning on Wednesday 23rd October to discuss matters and having a focus on learning and how year 7s can be supported within the year group, reporting back to Miss Wallace.

MULBERRY STUDENTS WATCH NFL ACADEMY AT TOTTENHAM STADIUM!

Last Monday, 50 students headed to Tottenham Hotspur Stadium to watch the NFL Academy face off against De La Salle School from California, one of America's top high schools.

Meeting at 5pm, the group walked to the stadium, took their seats, and watched as the American football action unfolded. With fans from the U.S. cheering, De La Salle took an early lead and kept the energy high, eventually winning 31-9. However, the Academy managed a final touchdown, sparking excitement among the crowd.

After the game, students met players, took photos, and even snagged some gear. Anyone interested in American football can contact Ms. Savva for more info on joining the NFL Academy.

NEW SCIENTIST LIVE TRIP

Mulberry Academy Woodside CAREERS EVENT

Come along to our careers fair and find out about Apprenticeships, Universities Colleges, Armed Forces, Work Experience and many more.

3:30 - 5:30p.m. | No booking required

TUESDAY 22ND OCTOBER

OPEN TO YEAR 11'S AND THEIR FAMILIES

On Monday, 14th October, Year 9 students from MAW attended the Schools' Day at New Scientist Live at Excel London. The exhibition offered a range of inspiring experiences, interactive activities, and talks, bringing STEM (science, technology, engineering, and maths) to life.

Highlights included exhibits on artificial intelligence, robotics, and virtual reality, showcasing their potential in medicine, agriculture, and space exploration. At the Royal Air Force stand, students had the chance to sit in a Red Arrows jet cockpit and learn about flying.

The day sparked curiosity and encouraged students to consider future careers in STEM, from protecting the planet to advancing space travel.

YOUR VIEWS MATTERS

CALLING ALL PARENTS!

Please take a moment to complete this short survey so that we can best support the students at Mulberry Academy Woodside.

The Year 11 Space

Hello Year 11,

Well done on an excellent attendance to the Y11 parents evening on Tuesday night. 75% of you attended which was wonderful to see so many parents and carers in the evening.

For those of you unable to attend – there will be follow up meetings arranged during the enrichment week.

A reminder that next Tuesday we have the careers event in the Sports Hall at 3.10pm. All of the colleges will be attending, and you will be able to get prospectuses from each college.

Mr Davis

Upcoming Y11 Assemblies

Date	Assembly Lead	Theme

KEY STAGE 4

The Mulberry STEM Academy offers 50 places for 14-16 year olds.

Students will participate in Saturday and school holiday activities.

Saturdays and holidays will feature as the delivery space for KS5 programmes and they will include:

This will include:

- Computer programming; all students will learn Python and advanced programming.
- Opportunity to design, build a race electric powered cars as part of the Greenpower competition
- The CREST Silver Award will be implemented through a series of real life problem solving challenges.
- Practical problem solving challenges based around engineering
- The teaching of robotics, using Pepper, the Mulberry Schools Trust's robot.
- Additional extra curricular activities, including trips

Your school will explain the recruitment process.

The deadline is
Monday 11th November.
