LATEST UPDATES FROM THE HEADTEACHER

DEAR PARENTS AND CARERS,

Wow! Another half-term done, and hasn't that flown by? To our students, well done for all your hard work, and to our families, thank you for your continued support. This week has continued our theme of praise for demonstrating our values and scholarly behaviour. There have been some smaller trips to the park and cinema, as well as reward parties and the spooky movie showings open to all Year 7 and 8 students who have been demonstrating excellent behaviour.

Thank you to all those who could make it to our Black History Month performance; it was so nice to see our families supporting. Our Year 7 drama group were fantastic in their debut performance, and we look forward to their next, even bigger production. Our drama and music team are relatively new to the school, and this production was put together in the matter of three weeks, so we are all excited about what will come next.

For Enrichment Week, we have a programme for Years 11, 10, and those coming in for all other year groups. Work is set for all year groups on Class Charts.

Do enjoy our year-specific newsletters, which aim to celebrate and promote the events of each year group. Look out for some of the exciting events in the new half-term. For Year 11, it's straight into mocks, so do use the half-term week to focus on revision.

Wishing our families observing Diwali a happy and prosperous celebration.

Ms. Wallace

WOODSIDE CELEBRATES BLACK HISTORY MONTH

This week, Mulberry Academy Woodside marked Black History Month with a vibrant performance that brought the whole school community together. The event featured a fantastic line-up, including powerful singing, lively dance routines, and a moving drama piece that highlighted important stories and themes.

Students and parents from the Woodside family filled the venue, creating a warm and enthusiastic atmosphere. The performances celebrated the richness of Black culture and history, while also showcasing the diversity and unity within our school.

The evening was a true testament to the talent and hard work of our students and staff, with the audience's positive response making it clear that the celebration was a resounding success.

MAW PUPILS ARE READY FOR SUCCESS!

This term saw the launch of our pupil pillars. The six Ready To pillars include the scholarly behaviours that all pupils should aspire to demonstrate in every lesson, every day. Through learning about and applying these skills our pupils will be ready for success in their studies.

Our first scholarly behaviours praise week focused on Ready to Learn which is all about being prepared with the big six, having an understanding of where your learning fits in the big picture and also making links with your prior learning.

Our top achieving Ready to Learn pupils for praise week were:

MIRKAN	10Q

MAW GIRLS' FOOTBALL TEAM TRIUMPHS OVER PARKVIEW

Last Wednesday, the Year 9/10 girls' football team secured a 7-0 victory against Parkview in the league game. After a solid warm-up, the match kicked off with Kiara Thanaj leading as the lone striker.

The team quickly took control, with Elona scoring the opener, followed by goals from Mawada S and Havin A, making it 3-0 at halftime. A quick pep talk from Ms. Savva had them back on form, as Lexi M's strong defense set up Kiara T, who added four more goals in the second half.

Parkview struggled to break through, with Houda making crucial saves. A dominant performance ended with a well-deserved win in Haringey football.

SPORTS ROUND-UP: THRILLING FOOTBALL AND BASKETBALL SHOWDOWNS

This week, Mulberry Academy Woodside's Year 9 football team battled Fortismere to a thrilling 3-3 draw. Jerus and Esaie scored early to give Woodside a 2-0 lead, but Fortismere fought back to level the game. Aimen's top-corner strike briefly restored Woodside's lead before a late Fortismere free-kick equalized the score.

In basketball, the Year 10 team secured a 63-55 win against Latymer. Woodside dominated early on, scoring 8 straight points, while Latymer's adjustments kept the game close. Clever passing and well-placed layups eventually sealed the victory for Woodside.

An exciting week for Woodside sports!

YEAR 11 CAREERS FAIR

This week, Year 11 attended an engaging careers fair at school, a vibrant event designed to inspire students about their future possibilities. The fair featured a diverse array of exhibitors from various colleges, all eager to share insights into their programs and fields of study. Students had the opportunity to explore different educational pathways and ask questions directly to college representatives.

The atmosphere buzzed with excitement as students networked, gathered brochures, and talked to professionals who sparked their interests, making the fair a valuable experience in shaping their future career decisions.

CALLING ALL PARENTS!

The Year 11 Space

Hello Year 11,

Well done on an excellent half term. You have done very well across this half term, and you should be proud of how you have started Y11. You have all come back with a great focus and determination and I think you will all do very well in the mocks.

In this newsletter you will find two pieces of very important information – your timetable for the enrichment week and the timetable for your mock exams. Please look at these carefully. During the enrichment week, I will be in on Tuesday and Thursday with members of the senior leadership team every day.

Have a lovely half term.

Mr Davis

OPPORTUNITIES

14th-20th October 2024 is Recycle Week. It's the one week of the year where retailers, brands, waste management companies, trade associations, governments and the media come together to achieve one goal: to galvanise the public into recycling more of the right things, more often.

This year's Recycle Week theme is 'Rescue Me'; focusing on rescuing recyclable items from the rubbish bin.

We would consider jobs that promote recycling, Co2 reduction and the promotion of environmentally friendly causes a "green job". Here is a [blog from the National Careers Service](#) that tells you everything you need to know about Green Jobs.

If you're feeling inspired and think you might like to work in a green job in the future, check out this [Green Jobs board](#) which shows you a range of roles available, how much you could earn and the sort of things you'd be responsible for in each role.
