Ms Wallace's Announcements

LATEST UPDATES FROM THE HEADTEACHER

DEAR PARENTS AND CARERS,

It was lovely to see so many of our families and younger siblings at our recent Christmas Festival. It exceeded our expectations in terms of numbers, so next year we will extend into the hub to make even more space. Most stalls were run by staff and our student council, and it was great to see them taking a lead on the event. We will announce our fundraising total at the end of term.

The Year 8 careers event was another real success, with all Year 8 students having meaningful discussions with a wide range of individuals from local councillors, PR firms, social workers, the creativity sector, industries, and technology.

Well done to our Year 11 students who received their mock results and BTEC PSA initial marks. Students spent Thursday reflecting and planning their next steps. As Mr Davis aptly told the students, it wasn't what happened on the papers that matters but what students do now.

Next week is the final week, and it will be full of recapping, revision, and thinking forward to the term ahead in lessons. Students will also enjoy a series of special events, including the reward assemblies. On Tuesday, we are inviting all families to join our Christmas concert with singing, dancing, and instrumental performances. We are glad that many of our local primary schools will join the performance on Monday and Wednesday. On Thursday, it is our Christmas dinner and Christmas Jumper Day.

During the Christmas holiday, the school will be shut for the majority of the break, which is different from the other holidays.

Ms. Wallace

WINTER FESTIVAL AT WOODSIDE

On Wednesday, 11th December, Woodside hosted the Winter Festival, and it was an evening to remember. The event exceeded expectations, with friends, families, and members of the community coming together to enjoy the festive spirit.

Guests had a great time trying their luck at various game stalls, winning tickets, and exchanging them for prizes. The karaoke station was a hit, with groups of friends taking turns to sing their hearts out and share some laughs.

It was a lively atmosphere, filled with music, laughter, and the warmth of a community coming together and perfectly capturing the festive season.

A huge thank you to everyone who attended and to those who helped make the event such a success. We look forward to making this a even bigger event next year.

YEAR 8 CAREERS FAIR

This week marked an exciting first for the careers curriculum at Mulberry Academy Woodside, as Year 8 students participated in a year-group wide careers fair on Wednesday 11th.

Students had the chance to meet and learn from fourteen professionals representing a variety of fields, gaining valuable insights into the world of work and labour market trends. Among the professionals were PR executives, solicitors, local councillors, and a children's book publisher, offering students a broad perspective on career possibilities.

Well done to all the Year 8s who engaged with curiosity and respect throughout the day. Don't forget to keep your information booklets and take time to reflect on what you learned. This is just the start of exploring your future possibilities.

BIG IDEAS PROGRAMME

This week, 90 students participated in the Big Ideas Programme, held in our new Hub space. Designed for 11-14-year-olds, the programme encourages students to tackle sustainability issues through creative problem-solving, with support from mentors provided by our Business Partners.

Throughout the day, students formed teams to develop innovative solutions to issues they care deeply about, such as diversity in STEM and the unstable job market. They refined their ideas, prepared pitches, and worked on making their solutions impactful.

Winning ideas will advance to the Big Ideas Competition, with regional finals at local universities and the National Final at the Palace of Westminster.

By linking schools, businesses, and universities, the programme amplifies young voices and inspires meaningful change. Well done to all who took part—your ideas are shaping the future.

YEAR 10 GIRLS WRAP UP PREMIER LEAGUE INSPIRES PROGRAMME

Year 10 girls taking part in the Premier League Inspires programme since September visited Tottenham Hotspur Stadium this week as part of Collapsed Curriculum Day, marking the conclusion of their course.

Joined by other Haringey schools, the girls participated in two workshops focusing on health, wellbeing, and leadership, and had the chance to meet Spurs female professional scholars. They also enjoyed a full tour of the stadium, one of the most iconic in Europe, wrapping up their visit with a fun opportunity to sit in Postecoglou's seat and tackle mock press questions.

A huge well done to Erica, Sana, Sofia, Kiara, Diara, Havin, and Houda for their outstanding conduct and enthusiasm throughout the day.

YEAR 10 PEER MENTORS READY TO MAKE A DIFFERENCE

After a rigorous application process, successful Year 10 students completed their peer mentoring training this week. The new mentors were trained in strategies to make a meaningful impact and paired with students in Years 7, 8, and 9.

Peer mentoring, a key part of the Year 10 experience at Mulberry Academy Woodside for over 22 years, fosters leadership and personal growth. Many mentors go on to become prefects and achieve further success in their journey.

A huge congratulations to this year's mentors:

Havin 10L, Nihal 10T, Sahra 10Y, Antonia 10L, Mekhi 10L, Sana 10A, Dan 10Y, Riyaq 10A, Mihaela 10I, Destiny 10Y, Kakhi 10E, Gulsum 10Y, Clive 10I, Joshua 10T, Melda 10T, Victoria 10Y, Houda 10L, Redy 10T, Kayla 10Y, Jasmina 10Y, and Simran 10Q.

We look forward to seeing the positive impact these mentors will have within our school community.

INVACUATION PRACTICE

Invacuation is the opposite of an evacuation of the premises. It is the process of controlling the movement and access of people around the school in response to an identified risk, threat or hazard that might impact on the safety or security such as@

- A potentially dangerous person or animal on the school site.
- A disturbance or dangerous situation in the local community that could affect the academy.
- A nearby chemical incident or other risk of air pollution.
- Serious weather conditions.

On Friday 13th December we practised our invacuation procedure across all lessons.

The Year 11 Space

Hello Year 11,

Hope you have all had a good week. Well done on another good week. This week you got your mock exam results and now is the time to think about what you need to do to improve your results? Take some time to speak to your teachers about what you need to do to get to the next level.

We are here for you if you need any support with your results so please speak to any of us if you need any support.

Mr Davis
