## WOODSIDERS SPREAD KINDNESS ON VALENTINE'S DAY

### THIS ISSUE

Woodsiders spread kindness on Valentine's Day

Exploring Inequality: GCSE Students Conduct Urban Fieldwork in Haringey

Year 10 Green Careers Experience

# Ms Wallace's Announcements

LATEST UPDATES FROM THE HEADTEACHER

## DEAR PARENTS AND CARERS,

Thank you for all your support with your young people this half term and for helping them get in on time and home safely during the dark mornings and evenings. The uniform drive has been strongly supported by families—the students look great in full uniform, which helps maintain standards and a sense of shared identity. When we return, we will continue to check uniform and equipment. Please support your child with a before-bed routine to help them be ready for learning the next day.

In assemblies this week, students were awarded for their commitment to the pillars of learning, alongside our final Science Museum trip, Geography field trips, and STEM graduation. The culmination of the week was the opportunity to show a sign of recognition and friendship on Valentine's Day.

Next half term will be a very busy period. Many of our students will be observing Ramadan, beginning on the 28th, and there will be lunchtime activities available away from the canteen space. We will also be holding an Iftar celebration on 19th March, and we invite all our families to attend.

For our Year 11 students, walking-talking mocks will take place, followed by their mock exams. The week of 3rd–7th March is Careers Week, with many activities planned to help students consider future career options.

World Book Day will take place on the 6th, with a range of activities.

International Women's Day falls on Saturday, 8th March, so our event will take place on Monday, 10th March, at 1:30 pm. If you would like to join us for afternoon tea, please email [faizul.islam@woodsidehighschool.co.uk](mailto:faizul.islam@woodsidehighschool.co.uk).

All the best for the half-term break. We have half-term school running for many of our students, and we want to thank them all in advance.

**Ms. Wallace**

# Woodsiders spread kindness on Valentine's Day

On 14th February, students took part in our "Spread Kindness with a Single Rose" rose sale, filling the school with appreciation and positivity. Held in the Shack Shack during break and lunch, the event saw an overwhelming turnout, with students eager to buy a rose for friends, family, or even themselves.

The demand was so high that students were already asking to purchase roses as they arrived at school in the morning! It was heartwarming to see so many taking the opportunity to brighten someone's day with a simple but meaningful gesture.

A huge thank you to everyone who supported the sale and helped spread kindness across our school and community. The money collected will be going towards this year's rewards trip!

## Year 9 Visit Imperial War Museum to Explore Holocaust History

Students visited the Imperial War Museum, using technology to chart the path that the Nazis took towards the Holocaust. With empathy, students gained invaluable understanding about this period in history.

They have been studying this in their classes recently but trips to world class museums deepens their understanding and helps create a real impression of events in the past.

## Year 7 Netball Victory

On Tuesday, 11th February, our girls' netball team took to the court for an exciting tournament against Heartlands. The team, who train every Tuesday after school, put on an impressive performance, securing a well-earned victory for Mulberry Academy Woodside.

The match took place in the sports hall, where teamwork and determination were on full display. Every player gave their all, making it a fantastic experience for everyone involved.

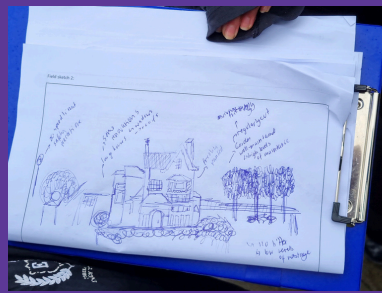

Reported by Ellie Trattou, Year 7

## Oakthorpe Primary school visit

On Thursday Myself and 7 year 10 GCSE art students visit Oakthorpe primary school for their art week. We lead a painting activity for the year 4's. we taught them about David hockney, Joiners and the colour wheel which was delivered by Olivia Johnson, Kimora Bogarts and Aleksandra QUEIROZ. The students then helped the year4's with painting showing them some fantastic techniques. the students really came out of their shells and where amazing with the kids I was very proud of them. A big thank you to Olivia, Kimora, Aleksandra, Boyko, Splendid, Khadija and Ayse.

## Exploring Inequality: GCSE Students Conduct Urban Fieldwork in Haringey

GCSE students recently completed their Urban Fieldwork for Paper 2 of their exams, focusing on investigating inequality within Haringey.

They worked hard to gather valuable data through environmental and residential quality surveys, field sketches, and by utilizing secondary data to support their findings. I was impressed with the students for engaging with the public, conducting questionnaires to gain firsthand insight into the community's experiences. This hands-on research not only helped them develop crucial skills for their exams but also provided a deeper understanding of the social dynamics within our local area.

## Year 10 Green Careers Experience

Last week, we had the opportunity to go on a Green Careers trip to central London, and it was such an eye-opening experience! We visited a real construction site and learned about how sustainable practices are being used in modern building projects. It was amazing to see how green technology is shaping the future.

We also got to meet professionals who shared their career journeys and gave us advice about different pathways we could take. It really made me think about my own ambitions and how I could make a difference in a more eco-friendly world. What a great day!

*As reported by Dan Kabongo, 10L*

## Year 8 Science Museum Trip

Year 8 students visited the Science Museum, where they explored fascinating exhibitions, iconic artefacts, and incredible scientific achievements. With a variety of interactive galleries to discover, there was plenty to see and do. One of the highlights was the space exhibition, where students viewed a real moon rock, satellites, and Tim Peake's spacecraft, uncovering the remarkable story of space travel. They also explored the flight gallery, where a striking aircraft is suspended in mid-air, offering a unique insight into aviation advancements both in the UK and around the world.

Our students showed great curiosity and enthusiasm throughout the trip, representing the school brilliantly. A huge well done to all who attended, and a big thank you to the staff and teams who helped organise such a fantastic experience.

## Year 8 Explore Ethics and Identity in Pig Heart Boy

This week, Year 8 students visited the theatre to watch Pig Heart Boy, a powerful and thought-provoking play. The production follows the journey of the protagonist as he navigates complex medical and ethical dilemmas, offering a gripping exploration of identity, morality, and human connection. With its engaging storyline and relatable characters, the play encouraged students to reflect on important issues, sparking discussions on self-discovery and societal pressures. The experience provided a valuable link between modern theatre and key literary themes, making it a memorable and insightful trip.

## Praise Week Winners- Ready to Do

Last week was Mulberry Academy Woodside's third praise week of the academic year. Pupils were earning praise points for displaying the school shared values and double praise points for displaying the Pupil Pillar- Ready to Do.

Ready to Do is all about getting started quickly on tasks, chunking large tasks into more manageable ones and asking questions when needed. The top scoring pupils in each year group for Ready to Do during praise week are listed below. All pupils will receive their certificate, badge and Amazon voucher in their forthcoming year group assemblies.

Year 7	<b>Matin Ahmadi 7U (25)India-Rose Cameron 7I (23)</b>
Year 8	<b>Anisha Sseguya 8Q (40)Princessamira Abdullahi 8Q (36)</b>
Year 9	<b>Elona Sejdiaj 9U (29)Lexi Morland 9A (28)</b>
Year 10	<b>Thadshaagene Thangarajah 10Q (10)Deam Sherabayani 10Q (9)</b>
Year 11	<b>Maya Langford 11U (19)Bao Pham 11I (19)</b>

# Teacher

# APPRECIATIONS

In a school we need a teacher that doesn't embrace kids with education but also molds them for the future and that is why Mrs. is perfect example, a not only a teacher of school but a mentor of life, his charismatic, enthusiastic yet serious teaching is a

I am here today to tell you that Mr Temur is the best teacher in ATW. I have had him for three years and he shows every good quality to be a wonderful teacher. He is kind and doesn't hesitate to send people out after many school chances. Why would I want

Did you know that hes head of SLT which already shows how much of a leader he is. Name Mr Ashton Headteacher

As a student in Mulberry, Miss Oliver has a place in my heart. Have you ever felt as a teacher be like a second mum? She is SLT of Year 7. Showing she is capable, independent, and enthusiastic. I love having her as a pe teacher.

Mr Miranda is the best teacher in Mulberry Academy Woodside. As a student in year 9 (his yeargroup) and a pupil of his spanish class I know he works above and beyond to help us succeed in the future. He never fails to make me laugh and always pushes me to achieve the best of my ability. No matter how much we stress him he always has a smile on his face. Because of him I am confident, smart and educated. Now tell me do you have a teacher as funny and good as mine?

## Year 8 Shoutouts

**8E** Azka and Samir for demonstrating our shared values

**8Q** Justin for improved punctuality and uniform. Anisha for her incredible work in the football game last week.

**8U** Irem and Jason for 100% attendance, punctuality to line up and uniform; demonstrating Mulberry shared values

**8A** Alan for making a great new start in 8A and having a positive influence on the form. Naz for emulating the values of pridem respect and kindness.

**8L** Ivan and Reyhan for being respectful in form.

**8I** Hazim and Amine for improved behaviour in form and line up

**8T** Arin and Ira for positive contributions during form.

**8Y** Akram for improved behaviour during form time. Dalia for being helpful and always contributing during form time.

# This week's *Values in Action*

## RESET: to ensure students are prepared for the new term

Our Values after half term will focus on a reset to ensure students are prepared for the new term.

How can you support your child during half term to ensure they are ready to be successful when they return to school?

- **Encourage a Balance of Relaxation and Revision**

Help your child find a balance between relaxing and keeping their brain engaged. Set aside a small amount of time each day for light revision or reviewing notes, while also allowing plenty of time for rest and fun.

- **Maintain a Relaxed Routine**

While it's important to let your child unwind, try to encourage a simple routine—regular sleep times and meals—so that they're not completely out of sync when school starts again. This will make the transition back easier.

- **Encourage Physical Activity**

Suggest physical activities, whether it's a walk, a workout, or a sport. Staying active helps clear the mind, improve energy levels, and can prevent feelings of sluggishness or stress when returning to school.

- **Keep Schoolwork Light**

Rather than pushing your child to complete large amounts of homework, encourage them to revisit what they've learned in a relaxed way. Watching educational videos, doing short quizzes, or talking through key topics can help keep them engaged without feeling like it's schoolwork.

- **Help Them Set Goals for the Next Term**

Ask your child about what they'd like to achieve in the next term, whether it's improving their grades, preparing for exams, or getting involved in extra-curricular activities. Setting small goals can help them stay motivated and focused when school resumes.

This way, your child can relax during half-term but also feel ready and motivated to return to school!

# Re-Set for Spring Term 2

We are looking forward to your child's return to school on **Monday 24th February**. The first bell goes at **8.35am** - please make sure your child is on time!

Punctuality will be a real focus this half term; we want to ensure that no child is missing out on valuable learning. If a child arrives after 9.10am they will spend time after school for one hour catching up on the work they missed. Please make sure that your child is on time and ready to learn.

Please can we ask you to check your child's uniform; they must not have any incorrect piercings, fake nails or fake eyelashes. Make sure they have their blazer and that their school bag is packed. Check the Big 6 is in their bag: 3 pens (including a green pen), pencil, ruler, calculator, reading book and journal.

Friday AM - GCSE PE Mr Rowling, Physics Mr Bernard, History Ms Rees, Drama Ms Howell

Friday PM - GCSE PE Mr Rowling, Drama Ms Howell.

## College applications

Some of you will now be thinking about starting to write your college applications now you have your predicted grades. Speak to myself, your tutor or academic mentor before you submit your application to the college so we can check it. Also check out the Powerpoint. I sent you a personal statement within it via email. For references these should only be completed by myself, your tutor or your academic mentor. You enter the email address of this person. Again anything your not sure about - email or ask.

In terms of references this should go to:  
myself - [liam.davis@woodsidehighschool.co.uk](mailto:liam.davis@woodsidehighschool.co.uk)  
your tutor - ask your tutor for their email  
academic mentor - ask your mentor for their email

If you need any help email Ms Ozcan our careers advisor [serdane.ozcan@woodsidehighschool.co.uk](mailto:serdane.ozcan@woodsidehighschool.co.uk)

## KEY DATES

17th-21st February: Half Term & Revision Sessions

28th February / 1st March: Ramadan begins (until 30th March)

3rd-14th March: Year 11 Mock Exams in the Sports Hall

3rd April: Final Key 30 Conference

7th-23rd April: Easter Holiday

## Period 7 and Key 30

When we return it will be week 1. Period 7 will not take place during 3-14 March due to the mocks. Key 30 will run on the first week after half term but will also pause from 3-14 March due to the mocks.

This is the exam timetable for Monday March 3 until Friday 14 March. You need to be on-time to all exams.

# The Year 11 Space

## Study Skills week

this week in form time you have been filling in timetables around revision. Feel free to use your timetable here and set one up at home.

1. Break down your revision into 30 minutes chunks
2. Use a pomodoro timer to keep your focus ( phones away)
3. Take a 5 minute break between chunks
4. Interleave topics from different subjects

Monday Date: _____	Tuesday Date: _____	Wednesday Date: _____	Thursday Date: _____	Friday Date: _____																														
Subject Topic (Revision 'Chunk' up to 30mins):  Rate how you feel about your knowledge of this after revision: <table border="1"> <tr> <td>I lot sure</td> <td>OK</td> <td>Great!</td> </tr> <tr> <td></td> <td></td> <td></td> </tr> </table> I must recap:	I lot sure	OK	Great!				Subject Topic (Revision 'Chunk' up to 30mins):  Rate how you feel about your knowledge of this after revision: <table border="1"> <tr> <td>I lot sure</td> <td>OK</td> <td>Great!</td> </tr> <tr> <td></td> <td></td> <td></td> </tr> </table> I must recap:	I lot sure	OK	Great! This newsletter is a collation of all the opportunities we have heard about from employers and universities. Please use the links included to read more information and apply to anything you are interested in. Links are underlined.

## OPPORTUNITIES

It's nearly here! 10th-16th February is National Apprenticeship Week. We're going to share some of the best events we've seen that you can sign up to. We know we're celebrating a little bit early BUT we want to make sure you have enough time to sign up to the opportunities you're interested in.

If you like the look of the event but can't make the time, sign up anyway to receive recording of the session. *Please note that we cannot guarantee that all event organisers will record the sessions, but most will.*

Apprenticeships at Jaguar Land Rover - 10/02 11am

Learn about our apprentice roles at JLR, meet our apprentices and understand the benefits of joining as an apprentice alongside some tips to help you succeed in your applications!

Attention Aspiring Tech Professionals! - 10/02 3pm

Discover Life at IBM - Learn what it's like to work at one of the world's leading technology companies from current IBM Apprentices.

Build your Future with a Galliford Try Apprenticeship - 11/02 11am

Learn firsthand from industry leaders and discover how our apprenticeships pave the way for a rewarding career in one of the UK's leading construction companies.

Shape Your Future: Explore EY Apprenticeships - 11/02 1pm

Are you a student ready to launch your career with a leading global firm? Learn where an apprenticeship at EY could take you, in this exclusive National Apprenticeship Week webinar.

Unlock Your Potential with Volkswagen Group - 12/02 9am

Volkswagen Group is one of the world's leading automobile manufacturers and the largest carmaker in Europe. Join our webinar during the National Apprenticeship Week to learn about our popular apprenticeship programme.

## JOB OF THE WEEK

Mechatronics Engineer

A mechatronics engineer designs, develops, and maintains systems that combine mechanical parts with electronics, software, and control systems. They work on products like robots, automated machines, and smart devices.

Watch the video to learn more about how much you could earn, working hours and pathways into the industry.

## LABOUR MARKET INFORMATION FACT

82% of apprentices said their apprenticeship had improved their ability to do the job.

79% of apprentices said their career prospects had improved by completing an apprenticeship.

## OPPORTUNITIES

Kick start your career with an apprenticeship - 12/02 3pm

312,300 new recruits are needed in the energy and utilities sector by 2030 to help the UK transition to a more sustainable future. Join this webinar to hear the success stories of apprentices in the sector and learn more about the opportunities available to kick start your career.

NAW with the British Army - 12/02 1pm

With nearly 13,000 apprentices currently enrolled in programs ranging from Level 2 to Level 6, we offer over 40 different apprenticeship schemes. This means that over 95% of our soldiers start an apprenticeship when they begin their initial trade training. Register to discover the diverse range of apprenticeships the British Army offers.

Earn, Learn & Thrive: Truths About Apprenticeships - 13/02 9am

Join Tom Burton, Head of Apprenticeship Delivery at York St John University, for an engaging webinar that uncovers the incredible opportunities offered by degree apprenticeships.

Roche: Pioneering healthcare apprenticeships - 13/02 11am

Are you ready to kickstart your career with Roche? We are thrilled to announce the recruitment of our new cohort of Apprentices, and we want YOU to be part of it!

All Aboard Your Career: Apprenticeships with Network Rail - 13/02 3pm

Forget boring 9-to-5s—this is your chance to be part of the action that keeps Britain moving. Don't derail your potential—come along, ask questions, and find out how you can start building a career worth shouting about!

Here is a guide to National Apprenticeship Week that showcases some of the other resources, events and support on offer. This booklet contains information for students and parents/carers.
