Ms Wallace's Announcements

LATEST UPDATES FROM THE HEADTEACHER

DEAR PARENTS AND CARERS,

Happy Friday to all our families. It's been nice to enjoy the sun over the last few days and take advantage of our outdoor facilities. A reminder that the Garden Club is in full flow and open most lunchtimes.

Well done to our Year 10 students for completing this week's assessments under examination conditions. This is helping students develop good study habits. All resources are available on our website and shared with students on Google. There have been some fun celebrations this week, marking St. Patrick's Day and Newroz on Thursday - do enjoy any associated activities this weekend. Students enjoyed inspired craft, food, and dance.

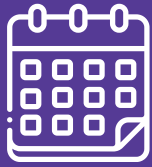

On Wednesday, there was a webinar about online safety - thank you to all that attended. This continues to be something that the school and many families are concerned about. There are simple steps you can take to support your child. We have included the resources at the end of this newsletter. If you'd like any further support on this issue, email safeguarding@woodsidehighschool.co.uk.

As we look towards the last two weeks of term, here are some exciting events coming up:

- In the final week of term, we will have reward assemblies and a visit from the waffle van for students with consistently high praise points or who excel in reward week within our school values.
- Monday, 31st March - School closed for Eid. School will resume as usual on Tuesday, 1st April.
- Thursday, 3rd April - Easter Hunt event open to all students
- Friday, 4th April - Special form-time celebration that students will love.

Finally, to the parents of Year 5 and Year 6 students - we have a completely free Easter school on Monday, 7th April from 9:30 am to 3:00 pm. To register interest, please contact the **Ms. Wallace** year7@woodsidehighschool.co.uk.

Hola España!

A Week of Language, Culture and Fun

From the 10th to the 14th of March, a group of lucky Year 9 and Year 10 students embarked on an unforgettable trip to Spain, immersing themselves in language, culture, and adventure. Here's a recap of their incredible experience recounted by Mr. Miranda.

Monday 10th March - A Warm Welcome

The trip kicked off with an early 4:30 am meeting at Gatwick Airport, where tired but excited students and parents gathered for the journey ahead. Upon landing, students were greeted by Rebecca, the Bilingual tour director, before heading to their hotel for check-in.

After a picnic lunch in the school gardens, students set off on a walking tour of La Cala del Moral. The day ended with beach sports and a delicious dinner at a local restaurant, featuring berenjenas con miel de caña (aubergines with cane honey) and arroz con pollo (chicken with rice).

Tuesday 11th March - Language & Flamenco

Students started the day with Spanish classes and cultural workshops, followed by a traditional lunch of tortilla española and pasta bolognese.

The highlight of the afternoon was a Flamenco show and workshop with local artists, where students had the chance to try the steps themselves. The excitement continued with a visit to La Cueva del Tesoro (Treasure Cave), where they explored the fascinating underground site. Dinner that evening included ensalada verde con anillas de calamar (green salad with squid rings) and hamburguesa con patatas (burger with fries).

Wednesday 12th March - Cultural Exchange & Town Quiz

After another morning of Spanish classes and workshops, students had the chance to meet and interact with local Spanish students. They practised their language skills while making new friends, then took part in a bilingual quiz in English and Spanish.

The fun continued with a town quiz in La Cala, where students raced around town asking locals for key information. Afterward, they enjoyed some well-deserved free time—buying ice creams, playing on the beach, and visiting the park. Dinner was a delicious ensalada mixta (mixed salad) and pollo en salsa con papas a lo pobre (chicken in sauce with rustic potatoes).

Thursday 13th March - Exploring Granada

An exciting excursion to Granada took students to the breathtaking Alhambra Palace and gardens. Despite the heavy rain, they explored the historic site, soaking in the incredible views and rich history. Afterward, students had free time to explore Granada. Some indulged in churros con chocolate, others shopped for souvenirs, and a few sampled local delicacies.

Back at the hotel, a hot shower was a welcome relief before a hearty dinner of mini pizzas and a choice between paella solo carne (meat-only paella) or paella de verduras (vegetable paella).

Friday 14th March - A Memorable Farewell

On the final day, students visited a local Spanish secondary school for another cultural exchange, giving them the opportunity to enhance their language skills and socialise with local students. Many exchanged social media profiles, forming new friendships.

The trip ended with a visit to Málaga, where students explored the city and picked up souvenirs. A final tapas lunch at Bar de Tapas Picasso rounded off the experience perfectly before heading back to the airport, reflecting on an unforgettable trip.

This incredible trip gave students the chance to experience Spain beyond the classroom, improving their Spanish skills and deepening their understanding of Spanish culture. They returned with lasting memories and a newfound confidence in their language abilities.

'Stop and Search' Workshop

Students at MAW participated in a workshop delivered by officers from the British Transport Police. The workshop aimed to educate students on how Stop and Search procedures work and their role in maintaining public safety.

During the session, officers answered specialist questions regarding staying safe around transport networks and crimes related to county lines. Students have been provided with essential knowledge about their rights, safety, and the importance of law enforcement in their communities.

Year 9 Celebrates St. Patrick's Day with Reading and Creativity

Year 9 students had a fantastic time celebrating St. Patrick's Day with a special reading activity and a fun hat-making session! The day began with an engaging reading session, where students explored Irish myths, legends, and poems. They learned about the rich culture and traditions of Ireland while improving their reading skills.

After that, it was time to get creative! Students created the famous green hats, inspired by the iconic leprechaun look.

This fun-filled activity not only celebrated St. Patrick's Day but also encouraged creativity and a love for reading. Well done, Year 9, for making the day so special! We can't wait for more exciting celebrations in the future.

Rewards Breakfast: Celebrating Positive Behaviour

Every Thursday, students with two or fewer conduct points for the year so far are invited to a special rewards breakfast - a well deserved recognition of their dedication and positive attitude.

Well done to all who have earned their place, and keep up the great work!

Inspiring Stories with Ashley Thorpe

Year 8 pupils enjoyed a fantastic writing workshop with author and storyteller Ashley Thorpe. Drawing on his new book and the influence of West African myths, Ashley captured the students' imaginations—especially with his passion for film, comics, and manga heroes. His engaging approach to world-building and character creation made the writing process feel exciting and accessible. It was wonderful to see so many pupils inspired to bring their own stories to life!

Year 7 students create podcasts about school transition

This term, Year 7 students at Mulberry Academy Woodside took part in an exciting podcast project focused on the transition from primary to secondary school. The initiative was run in partnership with Collage Arts as part of their *Creative Conversations* programme.

Newroz celebrations with food, dance, and community Spirit

On 18th March, we celebrated Newroz with a fantastic lunchtime event! The turnout was even bigger than expected, with plenty of snacks for everyone to enjoy.

A highlight of the celebration was the traditional dance, where students and staff joined hands, forming a long, curving line that moved in rhythm - a true symbol of unity and joy.

Newroz, the Kurdish New Year, is a cherished spring festival celebrated across the Middle East, Central Asia, and South Asia. It marks the arrival of spring and is a time of renewal, optimism, and cultural tradition.

Students played an active role in shaping their podcasts - developing insightful questions, structuring their episodes, and recording in a professional studio. Through this experience, they enhanced their communication and teamwork skills while also gaining hands-on experience in podcast production.

MATCH REPORT

Year 9/10 girls football comeback against GCA!

On Wednesday, the year 9/10 girls football team traveled to GCA to play a friendly. The crowd built up and tensions were high, both teams showing determination.

The game started and GCA scored quickly, 1-0. By half time, they were outplaying us, amazing shots, setting us back 4-0 at half time. The urge to keep fighting remained strong, and good thing it did. Denaisha scored the first goal, 4-1, but they quickly came back and made it 5-1.

Head's started to drop, but Kiara scored, 5-2. Our football got better, excellent defending from Lexi and Kayla G, and soon came another goal from Kiara, 5-3.

Now we had a chance, better passing and more opportunities, Kiara scored again in the bottom left corner making it 5-4. And to sweeten the deal, the last 2 minutes Kiara scored the fifth and final goal, an amazing comeback, 5-5!

The team demonstrated pride and determination. Well done to Kiara for being nominated by GCA as woman of the match, and Zahra as managers woman of the match!

Values in Action

Ready to Think Hard

You can support your child with this by:

- **Encourage active participation:** Help your child understand that their uniform represents the school and shows respect for the community. It's not just about clothing, but about being part of something bigger.
- **Promote curiosity:** Help them get into the habit of questioning what they're learning. Ask them, "Why do you think that?" or "Can you think of another way to look at it?"

- **Break down difficult topics:** If they find something hard, encourage them to break it into smaller parts. Help them understand each part before putting it all together.
- **Support extra practice and homework:** Encourage your child to practice problems or examples outside of class to reinforce what they've learned.
- **Give your child time to reflect:** When they come home, ask them to explain what they learned and how it connects to other things.

OPPORTUNITIES

This week is Neurodiversity Celebration Week. Depending on how our brains are wired we think, move, process information and communicate in different ways. Many people in our community use neurodiversity as an umbrella term used to describe alternative thinking styles such as Dyslexia, DCD (Dyspraxia), Dyscalculia, Autism and ADHD. But regardless of labels, neurodiversity is about recognising those who think differently.

Approximately 15-20% of the population has a neurological difference. Instead of labelling people with deficits or disorders, when we use the term neurodiversity, we take a balanced view of an individual's unique strengths and challenges.

You can use this resource library to learn about different types of neurodiversity. The resources include employer guides, celebrity case studies and activities such as colouring sheets.

This year, there are more events and panel discussions than ever before, with inspirational speakers from a range of backgrounds and professions. The discussions will all be focussing on key neurodiversity topics, and aim to educate while inspiring conversations about neurodiversity.

If you can't make the times of the events, you can register to gain access to the events library. The 2024 recordings are currently listed and the 2025 ones will be added at the end of the week.

Green Careers with the Royal Agricultural Society's 'New Shoots'; This programme aims to introduce young people to the variety of careers available in the horticultural sector. Find out more about what it is like to work in areas including viticulture, creative and social media, landscape architecture, writing and editing, plant genetics, ecology, botanical art and many more. Careers in this sector, as with so many sectors, include people with specialisms in many different skills.

JOB OF THE WEEK

Arborist

An arborist, also known as an arboriculturist or tree surgeon, is a professional who manages and cares for trees. They are experts in the cultivation and study of trees, shrubs, and other woody plants.

LABOUR MARKET INFORMATION FACT

According to recent data, the UK has seen a significant rise in green jobs, with over 270,000 green jobs reported in 2022, representing a 29% increase compared to 2015 levels; this growth is largely attributed to the expansion of low-carbon and renewable energy industries.
